Did you know that through the campaign, we provide funds for **Ministries in Support of Parish Life?**

1) **Youth Ministry** serves youth (ages 15-35 years) and those working with youth in the Diocese. Resources information and support are offered to parishes schools, university/college chaplains and groups to facilitate faith development among young people. **Our parish invites the Diocesan Youth Retreat Team to lead our Confirmation Retreat and we are always impressed with their effectiveness.**

E-Mail Complaint about parking.

I am disappointed that the notices you send out to refrain from parking in the Shoppers Drug Mart (SDM) across the street have gone unheard. Today June 9, 2011, parking was so bad at SDM, that I had to park at the other end of the strip mall. I know that a lot of the parking is used by your parishioners because I watched them cross the street to the church. I am able bodied so it's not really a big deal for me. However, for those people with reduced mobility who do not have a Handicap parking pass to park closer to SDM could find this to be an extreme challenge and therefore do not use SDM as their Pharmacy.

Just thought I would let you know.

Response to Parking Concern

"Dear ...,

Thank you so much for your concerns regarding parking across the way in the shopping mall.

We had a school Graduation Mass at 5:30 p.m. that day and although the school also relays our request regarding parking, many are invited guests of the families involved.

We do our best to ensure that people are aware that there is alternate parking space provided at our hall as well as behind our church.

There are also well placed notices regarding parking in the entrance of the Church.

We must also appreciate that if people are "one time only" visitors to the parish, they may not see them, since they are busy looking for a place to sit and usually, are running a little late.

Thank you for informing us that the parking lot was jammed. We sympathize with the business owners and especially, with those who need the services of the medical clinic and the pharmacy.

We will continue to ask our parishioners and our schools to be respectful of that property.

We can only do so much, but we can never do everything. "It takes two to tango!"

Buses Needed to Reach Out!

'Penny Drive' - Help bring Kids to Church

We have noticed that "St. Hubert and St. Henry Elementary Schools find it financially prohibitive to have school Masses at the Church".

While Corpus Christi school can bring their schoolchildren here at any time because of proximity; other schools in our parish area are limited due to finances, time constraints and number of buses needed. Father Raul attends their school liturgies as often as possible. However, this is not the same as Mass. By providing transportation, we give them the ability to enhance the spiritual life of schoolchildren.

Simply write "Penny Drive" or "Buses" on your envelope. This is an opportunity to do Mission work right here at home – an opportunity to bring children closer to God. Please help overcome the financial barrier by donating your change. All groups are encouraged to hold a fundraiser to help with this project.

Look forward to our "Penny Pot" on Education Sunday.

"Let the little children come to me".

Drop In Centre Sandwiches: Is there anyone who could possibly drop our donated sandwiches off at the Drop In Centre on the 2nd Thurs of the month in July or August? One family has committed to deliver the sandwiches in June.

Following months are wide open too – just waiting for you to volunteer!

Is there a group willing to take this project on as a ministry?

It seems to be orphaned to the office.

Note: Sandwiches are to be brought to the Thurs. 9 am Mass rather than to the office in July and August. (9:30 a.m. at the latest in the summer.)
