### **SCAMS ALERT**

There are many scams going around masquerading as your  
clergy (priests, deacons or lately, the bishop).

Please exercise caution when responding to email messages.

If you receive unusual emails, check the sender's email  
address to see whether it is the person's genuine address.  
Even if the sender's address looks correct, always verify  
suspicious emails by phoning the sender. There have been  
many similar scams reported by several parishes in our  
diocese and across Canada.

Note that these scams do not stop at emails. Those in social  
media should stay vigilant when responding to friend requests  
or to other compelling posts requiring a response. There are  
many fake Twitter, Facebook and other social media accounts  
trying to impersonate people you know and our church  
leaders. Some scammers may take the time to build a  
relationship with you to gain your trust, before trying to extort  
money or other things like gift cards.

Please exercise vigilance when you are being charitable. Use  
the channels you are most familiar with and avoid becoming  
victims. (R.C Diocese of Calgary)
